BY-LAW NUMBER 39 - 2008

A by-law to establish, maintain and regulate a system for the collection, removal and disposal of waste in the Town of Saugeen Shores.

WHEREAS the Municipal Act, R.S.O. 2001, Section 11(2) provides in part that a lower tier municipality may pass by-laws respecting matters within the sphere of jurisdiction of “Waste Management” set out in the Table of Section 11;

NOW THEREFORE the Council of the Corporation of the Town of Saugeen Shores enacts as follows;

1. TITLE, SCOPE AND DEFINITIONS

1.1 SHORT TITLE

This by-law may be cited as the "Waste Disposal By-law"

1.2 SCOPE

1.2.1 The provisions of this by-law shall apply to persons, lands, structures and uses within the boundaries of the Corporation of the Town of Saugeen Shores.

1.2.2 No person shall dispose of, or cause to be disposed of, any waste, recyclable, refuse or garbage except in conformity with the provisions of this by-law and schedules annexed hereto.

1.2.3 This by-law shall not be effective to relieve, reduce or mitigate any person from compliance with any provisions of the Public Health Act or Environmental Protection Act or any regulations or order prescribed by the Medical Officer of Health or the Minister of the Environment.

1.3 DEFINITIONS

For the purpose of this by-law:

1.3.1 "Ashes" shall mean the solid residue of any fuel for heating or cooking purposes, and soot or other cleanings from chimneys, fireplaces or heating appliances;

1.3.2 "Bag Tag" shall mean a clearly identifiable tag used to indicate that a tipping fee has been paid and approved for sale by resolution of the Council of the Corporation of the Town of Saugeen Shores.

1.3.3 "Box Board" shall mean non-corrugated cardboard.

1.3.4 "Bundle" shall mean a number of pieces of material of similar size and composition securely tied together.

1.3.5 “Burnable Material” shall mean brush, tree branches and any clean wood which has not been exposed to any treatment process such as paint, varnish, or preservatives. Burnable Material shall not include such materials as plywood, Oriented Strandboard (OSB) or particle board.

1.3.6 "Cardboard" shall mean and include all material made from corrugated paper, excluding previously recycled products and specific imported cardboards.
1.3.7 "Commercial" shall mean anything pertaining to premises occupied and used as a retail or wholesale outlet for services or materials that are or intended to be offered for sale to the general public.

1.3.8 "Commercial Garbage" shall mean any and all refuse generated by any Hotel, Motel, Apartment block greater than six units, Tenements, Cottage Park, Campground, Marina, Shop, Store, or Industrial Manufacturing Establishment, or any premises occupied and used for any retail wholesale or service outlet where goods and/or services are intended to be offered for sale.

1.3.9 "Compost Area" shall mean an area of the site designated by sign or otherwise and established for the purpose of composting leaf and yard waste.

1.3.10 "Container" shall mean a metal or plastic garbage container wider at the top than at the bottom, of a size no greater than 78 litres.

1.3.11 "Contractor" shall mean the person, persons, limited company or Corporation retained by the municipality to collect, remove, transport and deliver to an approved site, ashes, garbage or other refuse, and where the context permits, the workmen and employees of the contractor;

1.3.12 "Construction Material" shall mean waste that is derived from construction processes and of sufficient size, volume or weight that would make it unsuitable for its disposal in garbage bags or containers.

1.3.13 "Council" shall mean the Council of the Corporation of the Town of Saugeen Shores.

1.3.14 "Disposable Solid Waste" shall mean and include garbage, refuse and litter but shall not include recyclable materials.

1.3.15 "Domestic" shall refer to anything pertaining to premises occupied and used solely as human habitation which includes apartment blocks less than six units.

1.3.16 "Dumpster" shall mean a waste disposal bin, metal bin or container designed for pickup by a specialized waste vehicle.

1.3.17 "E-Waste" encompasses all types of waste containing electrically powered components. E-waste contains harmful materials which requires special handling and recycling methods.

1.3.18 "Fill Area" shall mean that operative area of the Landfill Site which is designated as an area for disposal of waste and the subsequent covering by earth fill.

1.3.19 "Garbage" shall mean and include all vegetable and animal matter subject to decay, whether it be household, commercial or industrial waste and shall include the receptacles and wrappings in which the same is placed.

1.3.20 "Garbage Bags" shall mean garbage bags manufactured for the use of garbage disposal having a maximum size of 77 cm by 97 cm (30" x 38").

1.3.21 "Garbage Collection Schedule" shall mean a schedule prepared by the Director of Public Works advise the owners and occupiers of the premises notice as to the day upon which vehicles will call to pick up disposable solid waste.

1.3.22 "Garbage Packer Truck" shall mean a truck with an enclosed load-carrying receptacle and machinery used to compact the load.

1.3.23 "Highly Combustible Material" shall include: photographic film, celluloid, gasoline, oil or other flammable liquid, or materials soaked with any of the same.
1.3.24  "Household Hazardous Waste" shall include: paints, stains, varnish, urethanes, oils, herbicides, pesticides, car batteries, pharmaceutical, pool chemicals, gas cylinders and any items considered a risk.

1.3.25  "Industrial Waste" shall mean waste derived from industrial processes and being of sufficient size, volume and weight that would make it unsuitable for disposal using garbage bags or containers.

1.3.26  "Kraft Bag" shall mean a biodegradable bag made of kraft paper and manufactured for the purpose of yard waste diversion.

1.3.27  "Landfill Site" shall mean waste disposal sites designated and operated by the Corporation of the Town of Saugeen Shores for the disposal or transfer of waste in accordance with the provisions of the this by-law and the terms and conditions of a certificate of approval issued by the Ministry of Environment and set out in Schedule “A” to this By-law.

1.3.28  "Night Soil" shall mean any excrement (including human).

1.3.29  "Occupier" shall mean a person who is in physical possession of premises or who has responsibility for and control over the condition of premises or the activities there carried on, or control over persons allowed to enter the premises.

1.3.30  "Operating Authority" shall mean the Corporation of the Town of Saugeen Shores or its authorized representatives.

1.3.31  "Owner" shall include the occupier of property and the person for the time being, managing or receiving rent of the land or premises in connection with which the work is used whether on their own account or as an agent or trustee of any other person or who would so receive the rent of such land and premises where rented, and shall also include a lessee or occupier of the property who under the terms of the lease is required to repair and maintain the property in accordance with municipal by-laws.

1.3.32  "Premises" shall mean and include, one self-contained dwelling unit, residential or commercial; and in cases where buildings are subdivided and in possession of two or more occupiers, each occupier shall be deemed to be an occupier of premises within the meaning of this by-law.

1.3.33  "Prohibited Waste Materials" shall mean any waste other than garbage and as set out in Schedule "C" to this by-law.

1.3.34  "Recycling" for the purpose of this by-law shall mean the items listed on Schedule “D”.

1.3.35  "Refuse" shall mean and include all waste materials such as broken crockery and glass, jars, bottles, bones, discarded wearing apparel and all kinds of refuse not subject to decay other than those items accepted by recycling.

1.3.36  "Scavenging" shall mean the unauthorized removal of reusable materials from in, around or among disposable solid waste at the Sites.

1.3.37  "Scrap Metal Area" shall mean the area on the Sites designated by signs or otherwise for the placement of metal, steel, iron, aluminum or other materials.

1.3.38  "Sorted" when all clean burnable wood and all recyclable or segregated material is separated from non-recyclable or segregated material. Decisions regarding classified waste as sorted or unsorted will be made by landfill staff.
1.3.39 "Tagged" refers to appliances being certified as refrigerant free by a certified contractor. Untagged appliances are not accepted at landfills.

1.3.40 "Tipping Fees" shall be a fee, as established by the Council and set out in Schedule "B" to this by-law.

1.3.41 "Town" shall mean the Town of Saugeen Shores.

1.3.42 "Unsorted" waste includes roofing debris, construction material, and all other industrial, commercial, institutional and domestic waste not sorted.

1.3.43 "Waste" shall mean garbage, refuse and other materials generated from domestic household sources and similar uses, approved for disposal by the Ministry of Environment and the Town, at the Landfill Site and shall for the purpose of this definition include solid industrial waste.

1.3.44 "Waste Disposal Attendant" shall mean an official duly appointed by Council responsible for the supervision and operation of the Landfill Sites and for the administration of this by-law.

1.3.45 "Waste Disposal Site" shall mean a site designated by the town and approved by the Ministry of Environment for the disposal of solid waste, and storage of recyclables.

1.3.46 "White Metals" shall mean refrigerators, freezers, stoves, ovens, hot water heaters, water tanks, washing machines, clothes dryers and similar such items, goods and materials.

1.3.47 "Wood Area" shall mean the area in the Site designated by signs or otherwise for the placement of wood, brush, tree branches or other wood materials at the municipal landfill site.

2. MUNICIPAL LANDFILL SITE

2.1 No person shall use any lands within the Town of Saugeen Shores for the purpose of a waste disposal site except lands designated by by-law for such use by the Council of the Corporation of the Town of Saugeen Shores and the Ministry of the Environment.

2.2 The Municipal Landfill Site shall be operated and maintained by the Town in accordance with the terms and conditions of the Site Certificate of Approval, the provisions of this by-law, and the requirements of the Ministry of Environment as in Schedule “A”.

2.3 Notwithstanding any other penalty or remedy of law available to the Town, the owner, occupant, lessee or person using any structure or lands within the boundaries of the municipality for the dumping or disposing of garbage, refuse, industrial waste, hazardous materials or waste of any kind where such lands or structures are not designated as a waste disposal site, shall upon notice served by the Town cease using such lands or structures for such purposes and to remove such garbage, refuse, industrial waste, hazardous materials or other waste in the manner as may be prescribed by the Town.

2.4 HOURS OF OPERATION

2.4.1 No person shall deposit refuse, garbage, trade and industrial waste and building materials in the Site other than those days and during those times as may be established by the Council from time to time. Notice of such dates and times and any changes thereto shall be published by the Town in an appropriate manner.

2.4.2 Notwithstanding the provisions of section 2.4.1 above, public access to the Municipal Landfill Sites shall be restricted to those times when a Town Waste Disposal Attendant is on duty and in attendance at the site and set out in Schedule "B".
2.4.3 No person shall trespass on the Municipal Landfill Site except as is required to transfer material to the site in accordance with this by-law, or as is necessary to conduct lawful business with the Town during the designated hours of operation of the Municipal Landfill Site in the presence of the Waste Disposal Attendant or other Town Official.

3. **GENERAL PROVISIONS**

3.1 No person shall dispose of, or cause to be disposed of waste at the Municipal Landfill Site that originates or is generated from a location or use outside of the municipal boundaries of the Town of Saugeen Shores and/or is in contravention with the Certificate of Approval.

3.2 Persons shall dispose of permitted waste at the Municipal Landfill Site in accordance with the directions of the Waste Disposal Attendant and accordance with the provisions of this by-law and the Ministry of the Environment and Certificate of Approval.

3.3 **CONTAINERS AND GARBAGE BAGS**

3.3.1 Every person shall place garbage bags and/or containers for collection on the road allowance directly adjacent to their own property. Garbage shall be placed in a location that does not obstruct a road/sidewalk/public walkway.

3.3.2 No person shall place garbage for collection by the Town unless the same has been packaged or prepared in accordance with this by-law.

3.3.3 Garbage may be placed in containers equipped with tightly fitted lids and proper handles and may be refused for collection if the containers are not in a safe condition in the opinion of the Director of Public Works or his/her designate. All waste is to be securely placed inside plastic bags with the top bag having a bag tag affixed to it. the total amount of weight in the container shall not exceed 11 kilograms (25 pounds)

3.3.4 Garbage bags and containers:

   a) shall be kept on the premises that is the source of the waste being disposed of; and

   b) shall be placed for collection by the Town in the manner and location prescribed in this by-law between 9:00 p.m. of the evening prior to the day of collection and 7:00 a.m. on the day of collection; and

   c) no person shall allow garbage containers, and/or bags not collected by the Town to remain in the location specified in this by-law; for collection of such waste after 9:00 p.m. on the day specified for collection.

3.3.5 Garbage collection shall be carried out by the Town on a weekly basis and is subject to change with notice being given by advertisement whenever possible.

3.3.6 Every plastic bag shall be securely tied to prevent spillage and be of sufficient thickness to eliminate tearing and the weight of the contents shall not cause breakage of the bag and shall not weigh more than 11 kilograms (twenty-five pounds)

3.3.7 No person shall allow garbage or other refuse to accumulate upon any premises or keep any container, receptacle or repository for waste material on premises in such a condition or in such a location that the same is a nuisance or emits foul or offensive odours, harbors or attracts rodents or other vermin, insects, animals or birds. All garbage/refuse not contained in a covered container shall be protected from rodents, animals, insects or birds. Should the container(s), receptacles(s) be damaged prior to collection, the municipality will not be obligated to pick up the disturbed garbage/refuse until the debris is placed in an approved container/receptacle.
3.3.8 Where it is deemed more convenient in the opinion of the Town to make collection from the rear of the premises, shall be notified that collections may be made by entering lanes or alleys. During the winter months pathways must be maintained clear of snow and ice where necessary to permit convenient access to containers and/or bags placed for collection. In the case of premises located in outlying districts of the Town situated on streets which may not be open for traffic during winter months, containers shall be placed by the occupier at the nearest practicable point on a street which is open for traffic.

3.3.9 No person shall place containers and/or bags for collection in accordance with this by-law except during the time specified herein for collection of the same by the Town.

3.3.10 In all commercial premises including restaurants, grocery stores, fruit and vegetable stores, butcher shops, refreshment stands, flour and feed stores or in any premises where it is necessary to accumulate garbage in large amounts, the same shall be placed in a garbage room or bin so constructed that the same prevents the entrance of flies, rats or other vermin, and the said room or bin shall be maintained in a sanitary condition at all times.

3.3.11 No person shall place highly combustible material in a garbage container for collection by the Town in accordance with this by-law, either in a separated form or combined with other disposable solid waste material.

3.3.12 No person shall place ashes in a garbage container for collection by the Town in accordance with the provisions of this by-law, either in a separated form or combined with other disposable solid waste material.

3.3.13 No person shall place hazardous waste in a garbage container for collection by the Town in accordance with the provisions of this by-law, either in a separated form or combined with other disposable solid waste material.

3.3.14 No person shall place Biomedical or pathological waste in a garbage container for collection by the Town in accordance with the provisions of this by-law, either in a separated form or combined with other disposable solid waste material.

3.3.15 No person shall pick over, interfere with, disturb, remove or scatter any disposable solid waste materials of any container therefore, placed for removal in accordance with this by-law, whether the same is contained in a garbage container or otherwise, unless the person is a representative of the Town authorized for garbage collection, or a person authorized by the owner or occupier to remove the garbage of the said owner or occupier.

3.3.16 Domestic and/or Commercial garbage has no bag limit but each bag requires a bag tag affixed; cost to be established by council from time to time.

3.3.17 No person shall remove a bag tag from a bag of refuse belonging to another.

3.3.18 No person shall copy, counterfeit or in any other way attempt to replicate the Town's bag tag.

3.3.19 No person shall knowingly spill, scatter, deposit, throw, cast, lay or cause to be thrown any waste on any street, alley, laneway, public or private way, or in any public square, place or private lot.

3.3.20 No person shall knowingly place waste generated from a private residence in a public litter bin.

3.3.21 Owners and/or Occupiers of premises shall utilize the services of the Blue Box program as provided by the Bruce Area Solid Waste Recycling Association Inc. Failure to do so shall result in garbage not being removed from the premises and it will be up to the owner and/or occupier to dispose of the garbage in a manner conforming with this by-law.
3.3.22 Curb side pick up for leaves and grass clippings will only be picked up by the town on predetermined dates in the spring and or fall of each year and must be set out in Kraft paper bags.

3.4 In the case where the owner and/or occupier of any premises is physically incapacitated to such an extent that the owner and/or occupier is unable to comply with the regulations, special arrangements may be made with the Director of Public Works.

3.5 For the purpose of this by-law, the definitions and interpretations given in this by-law shall govern. In this by-law, "Shall" is mandatory; words in the singular include the plural; words used in the masculine gender include the feminine and vice versa.

4.0 MANAGEMENT/OPERATION OF THE MUNICIPAL LANDFILL SITE

4.1 The Town may provide and designate such areas within the Landfill Site as it deems necessary and appropriate for the deposition, temporary storage and handling and processing of all wastes regulated under this by-law.

4.2 All approved waste materials collected by the Town or by any citizen or private contractors within the limits of the Town is permitted to be disposed of at the landfill.

Recyclable materials from the "Blue Box" and/or cardboard program will be accepted only at the facilities provided for the collection of these materials.

4.3 The Municipal Landfill Site shall be under the supervision of the Director of Public Works or other authorized Town Officials. Adequate staff shall be maintained by the Director of the Public Works to supervise the dumping of disposable solid waste, burning operation and to cover the same with earth following the sanitary fill method of disposal. Refer to Schedule “E” for the Burning Policy.

4.4 No person shall place disposable solid waste at the Site as specified on Schedule "C" attached to this by-law except during the hours of operation.

4.5 No person shall deposit disposable solid waste at the Site coming from a source as not prescribed on the Certificate of Approval.

4.6 All waste delivered to the Site as authorized by the operating authority shall be placed under the direction of the Waste Disposal Attendants and/or other authorized authorities.

4.7 No person shall enter onto the Site for any purpose other than depositing permitted disposable solid waste in permitted areas.

4.8 Scavenging at the landfill is strictly prohibited.

4.9 Fees for the disposal of waste at the Site shall be as established by Council and as set out in Schedule "B" as attached to this by-law. Notice of such fees and any changes thereto shall be published by the Town in an appropriate manner, and shall be applicable to all persons authorized to use the Site.

4.10 Three Free landfill days will be held on an annual basis: the Saturday of the May 24th Victoria Day Long Weekend, Monday of the August Civic Holiday Weekend and the Saturday of the Thanksgiving Long Weekend. These dates are subject to change or eliminated at the discretion of the Town from year to year.

4.11 Vehicles must be over scales at landfill 15 minutes prior to closure.
5.0 PENALTIES AND ENFORCEMENT

5.1 Any person guilty of an infraction of any provisions of this by-law shall on conviction pay a fine or penalty not exceeding $5,000.00, exclusive of costs, for each and every offence and such penalty shall be recoverable under the Provincial Offenses Act. Upon conviction for a breach of the provisions of this by-law, the court of jurisdiction may make an order prohibiting the continuation or repetition of the offence by the offender, and denied entrance into the Municipal Landfill Site.

5.2 Where a person fails or defaults to carry out any direction or action required by the Town as authorized by this by-law, upon reasonable and written notice, the Town may proceed to do such things to carry out such actions as directed at the expense of the person and such expense may be recovered by the Town in a like manner as taxes in accordance with the provisions of Section 326 of the Municipal Act, Chapter, M.45 R.S.O. 1990 and amendments thereto.

5.3 This by-law has set fines for violations as set out in Schedule “F” Short Form Wording.

6. ADMINISTRATION

6.1 The Waste Disposal Attendant shall supervise all operations at the Municipal Landfill Site and shall enforce compliance with the provisions of this by-law.

6.2 The Director of Public Works or his/her designate may grant minor variances of the by-law for community groups, special activities and other circumstances where it is deemed that such actions are within the public interest and not contrary to the intent of this by-law.

6.3 Council may authorize studies and programs and prepare policies for the maximization of the life expectancy, efficiency and effectiveness of the Municipal Landfill Site and the reduction, reuse and recycling of waste.

7. SCHEDULES

7.1 The following schedules annexed and attached to this by-law shall form a part of this by-law.

Schedule "A" - Description of Landfill Site
Schedule “B” - Tipping Fees
Schedule "C" - Prohibited Waste Materials
Schedule "D" - Recycling Policy
Schedule "E" - Burning Policy
Schedule “F” - Short Form Wording

8. IMPLEMENTATION

8.1 By-law 24-2005, By-law 76-2001 and By-law 74-2002 and any by-laws inconsistent with this by-law, are hereby repealed.

8.2 That this by-law shall come into force and take effect on

Southampton Waste Disposal Site

The Southampton Waste Disposal Site is approximately 20.2 hectares (50 acres) in size and is located on Part Lot 12, Concession 15 in the former Township of Saugeen, County of Bruce. The site has been in existence since 1965. A certificate of Approval (NO.A273101) was issued December 17, 1980 by the Ministry of Environment and amended in November 1997 and in August 2005.
TIPPING FEES
Tipping Fee Schedule for all garbage and refuse brought for deposit in the Town Landfill Site.

1. Minimum charge for any vehicle $5.00
2. Bag Tags $1.50
3. Charge for White Metals $5.00 per item
4. Domestic Sorted Household $80.00 per ton
5. Unsorted Waste $110.00 per ton
6. Concrete, brick, asphalt shingles $80.00 per ton
7. Tires - Rate per tire.  
   Car Tires or smaller $4.00 $8.00  
   Light Truck Tires $5.00 $10.00  
   Heavy Truck Tires (greater than 7.50 x 16) $12.00 $24.00  
   Off Rim On Rim
8. All Other Waste $150.00 per ton Contaminated Fill subject to regulations of the Ministry of Environment.
9. Burnable Material  
   There shall be no charge for disposal of burnable material in the Southampton Landfill Site and vehicles hauling only burnable materials shall be exempt from the minimum charge.
   Tree trunks or body wood and stumps will be permitted at the landfill site but will be subject to a charge of $80.00 per ton.
10. Closed Hours  
    Any person requesting the Municipal Landfill Site to be opened on any other hours than the normal open hours shall make arrangements with the Manager of Public Works and shall pay a $100.00 base fee plus applicable tipping fee.
11. Weighing Procedures  
    All vehicles will be weighed and the actual fee based on the tipped weight.
    All residential household garbage with bag tag stickers will be exempt to the above fee schedule.
12. Landfill Hours of Operation
   Southampton Site
   Monday, Wednesday and Friday  9:00 a.m. - 5:00 p.m.
   Saturday  9:00 a.m. - 3:00 p.m.
   Site closed on Tuesday, Thursday and Sunday
The following items shall be prohibited from disposal within the licensed landfill area of the Municipal Landfill Site:

- Hazardous waste, except those approved by the Ministry of the Environment;
- car bodies
- farm machinery
- recyclable waste (includes clean corrugated cardboard)
- hay, straw, manure and grass clippings
- hot ashes
- white metal with refrigerant

The following materials will be accepted for disposal in designated areas and under the provisions of this by-law:

- burnable materials
- asphalt shingles
- household garbage
- scrap metal
- shingles/drywall – roofing membrane materials
- tires
- white metal that has been drained of refrigerants
- recyclables where signed and/or allowed

There will be an area set up in the Municipal Landfill Site to accept the following compost material:

- ashes
- hay
- straw
- manure
- grass clippings
- leaves
SCHEDULE "D" TO
BY-LAW NUMBER   39 - 2008

RECYCLING POLICY

1. Clean, corrugated cardboard free from grease, food, oil and paint shall be accepted for recycling. Will not accept cardboard if used for waste or if not broken or bundled.

Cardboard shall be flattened and deposited within the container provided located at the Municipal Landfill Site and in compliance with the directions of the Waste Disposal Attendant and/or at any one of the approved designated locations in the municipality.

2. Brush for burning/grinding shall be accepted at the Municipal Landfill Site in accordance with the provisions of this by-law and the Ministry of Environment.

3. Scrap Metal and White Metal shall be accepted for recycling at the Municipal Landfill Site and in accordance with the provisions of this by-law and the Ministry of the Environment.

Scrap Metal and White Metal shall be placed within the designated metal collection area in accordance with the directions of the Waste Disposal Attendant.

4. Plastics, cans, glass shall be accepted for recycling at the Municipal landfill site or at any one of the approved designated locations in accordance with the provisions of this by-law.

5. Household batteries shall be accepted for recycling at the Municipal landfill site or at any one of the approved designated locations in accordance with the provisions of this by-law.

6. E-Waste shall be accepted for recycling at the Municipal landfill site or at any one of the approved designated locations in accordance with the provisions of this by-law.
The Town may burn on any day at the discretion of the Director of Public Works and subject to weather permitting.

All wood waste to be burned shall consist of clean, dry wood waste.

The burning operation is to be supervised at all times and public access is to be prevented during the burning process.

The Director of Public Works is to ensure that the burning pile is a manageable size, contains only clean dry wood waste and burns in a manner that prevents any chance of an adverse impact on the neighboring property or properties.
